STEVENSON exhibition

This summer we are hosting the exhibition lent by the association “Sur le chemin de Louis Stevenson du Pont-de-Montvert” for the Nord department. An opportunity to understand the man and the writer beyond *Treasure Island* or *The Strange Case of Doctor Jekyll and Mr. Hyde* and to celebrate the reopening of the Sambre through its journey from Antwerp to Pontoise via the Sambre-Avesnois.

The exhibition is visible on the usual opening days and times of the museum.
