CLOSING

In accordance with government decisions, the museum is closed from October 30.

These measures, covering a period of 4 weeks, will therefore lead us to the usual winter closure. We therefore give you an appointment from February 15, 2021 for the reopening of the museum.

While waiting to have the pleasure of welcoming you back to the site, we wish you good luck, take care of yourself.

We sincerely thank you for your understanding.
We remain at your disposal for any further information.
